In re Application of	:	DECISION ON PETITION
John J. Pereless et al.	:	TO CORRECT INVENTORSHIP
Application No. 09/665,757	:	UNDER 37CFR 1.48(A)
Filed: September 20, 2000	:	
Attorney Docket No.: 304.117/09809287	:	
For: METHOD AND SYSTEM FOR RESUME	:	
STORAGE AND RETRIEVAL	:	

Applicant's petition under 37 C.F.R. 1.48(a) filed March 21, 2003 in application Serial No. 09/665,757 requests to add inventor Mr. Sean Rodwell-Simon and remove inventor Mr. John Pereless in the above application.

The petition is **DENIED**.

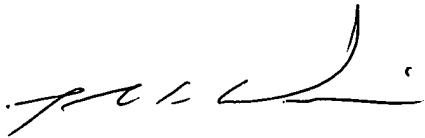

A petition under 37 CFR 1.48(a) to add and/or remove an inventor must include: (1) a request to correct the inventorship, (2) a statement from **each** person being added or deleted as an inventor that the error occurred without deceptive intention on his or her part and (3) a oath or declaration by each actual inventor.

The petition filed on March 21, 2003 failed to include element (2) above. There is no statement from listed inventor Mr. John Pereless to have his name deleted and that the error was without deceptive intention on his part. The requirements of 37 CFR 1.48(a) can be waived upon the filing of a request and fee under 37 CFR 1.83. See MPEP 201.03 "A. Statement of Lack of Deceptive Intention".

The application has been forwarded to the Publication Division.

Any questions concerning his decision should be directed to Supervisory Patent Examiner John Weiss at (571) 272-6812.

SUMMARY: The petition is **Denied**.
